The two weeks are ending this week, and incase I go back there on 5th July, 2016 of next month if I don't have the documents please don't blame me because if the report by the Public Account Committee comes out, that you should refund the money don't blame anybody because that is the verdict that you will be required to refund the money. And for avoidance of doubt and for records purpose i will read the names of the people who have not submitted the documents required for the purpose of audit.
