Manner that brings conflict between personal interest and public or official duties or causes compromise of any public or official duty in favour of personal interest.

CONCERNED that Sub-county and Ward administrators in the county are currently working within their home areas and this could easily lead to compromise between their official duty and personal interest or cause the said officers to deliver services in a biased and discriminative manner.

FURTHER CONCERNED THAT the appointment of sub-county and ward administrators to serve within their home areas is likely to affect the quality of service delivery by the county government.

URGES this County Assembly to resolve that:

- i) The County Public Service Board in consultation with the Ministry of Administration and Coordination of County Affairs and all other relevant stakeholders do come up with a policy document on Transfer and/or reshuffling of county public officers;
- ii) That the document to particularly provide that no sub-county and ward administrators should serve within their home areas; and
- iii) That the policy document to make provisions to ensure that no sub-county or ward administrator shall serve in one station for a period exceeding three years.
