**TUESDAY, 5<sup>TH</sup> AUGUST 2014 AT 2.30 PM**

1. The House assembled at thirty minutes past Two O'clock.
2. The proceedings were opened with prayer.
3. **COMMUNICATION FROM THE CHAIR:**

The Hon. Speaker made the following communication from the chair;

Honourable Members,

As you are aware, His Excellence the Governor did not assent to the Appropriation Bill 2014 that was passed by this Assembly on 16<sup>th</sup> July 2014 and forwarded for assent on 17<sup>th</sup> July 2014. Consequently, he has referred the Bill back to us with a memorandum detailing his reservations on the same. I trust each member is in possession of a copy of the said memorandum and has taken time to critically read and understood its contents because this must be handled by this Assembly with utmost caution.

Hon. Members, our standing orders as they are currently do not provide for a detailed and express process of considering His Excellency the Governor's Memorandum, thus pursuant to Standing Orders 1 and 147, I direct that the consideration of the said memorandum be undertaken in the committee of the whole county assembly to allow members enough time to deliberate and discuss the issues after which it shall be reported back to the assembly for

adoption. This Assembly shall require a 2/3 majority as per Standing Order 135 for the adoption of the memorandum.

Hon. Members, it is further important to note that this honorable Assembly has already diligently discharged its duty in the budget making process , therefore , the task before us should not in any way amount to budget making or a process of making revised estimates.

Further Hon. Members, I trust we are all aware that as an Assembly we must ensure that the Appropriation Bill that is submitted for assent should have balancing figures, in your consideration of his Excellency the governors memorandum therefore, you must ensure that the figures in the Appropriation Bill remain balanced regardless of what your decisions on the memorandum will be.

Last but not least, Hon. Members, thank you very much for going beyond your call of duty especially during this time of recess to come and dispose of a matter that is of great importance to our county.

THANK YOU.
