COMMENCEMENT OF BUSINESS

8.*. MOTION ON REGULATION AND MANAGEMENT OF STREET TRADE (HAWKING) AND BODABODA OPERATORS IN KITUI AND MWINGI TOWNS.

(Hon. James Munuve-MCA, Kanziko Ward)

AWARE THAT, Kitui and Mwingi towns have experienced an influx of streets traders, and boda boda operators at the busy intersections, and in the major public transport termini.

ALSO AWARE THAT, street trade and boda boda operation contribute significantly to the economic growth and is a source of income for many livelihoods.

FURTHER AWARE THAT, street trade generates solid waste that warrants proper garbage collection, and disposal mechanisms as well as proper drainage infrastructure to maintain cleanliness in these towns.

CONCERNED THAT, hawking activities lead to pollution of the environment, congestion, and poor aesthetics resulting from the numerous unauthorized structures; which all create a major turn-off to potential investors.

FURTHER CONCERNED THAT, most of the accidents within the central business zones in Kitui and Mwingi towns are caused by the unorganized dropping and picking up of clients by boda boda operators, which causes traffic gridlock, and endangers the lives of pedestrians and other road users.
