Dear Sir,

REQUEST FOR AN INCEPTION DINNER MEETING WITH KITUI COUNTY ASSEMBLY MEMBERS

Besides evangelization, the Catholic Diocese of Kitui also carries out significant social, economic and political development initiatives in Kitui County. In view of the above, the Catholic Diocese of Kitui wishes to convene an inception dinner meeting with all the members of Kitui County Assembly. This meeting is intended for introductions and strategic orientation on development and peace initiatives that the Church is doing in Kitui with a view of establishing a working mechanism for constructive collaboration, partnerships and relevant support from the onset. More specifically, this dinner is meant:

1. To introduce the County assembly members to the role of Church in development and peaceful coexistence.
2. To share with the county leadership County on public participation concept as a driver for development.
3. To discuss a long term collaboration framework.

Given the convening power of your office, we humbly request you and your office assist in mobilizing all the County Assembly members for this dinner. We welcome your guidance on how best we can jointly plan for this meeting which is scheduled to be on **12th October, 2017** at Parkside Villa, Kitui-beginning at 6pm.

Sincerely yours,
