Honorable Members,

I am pleased to note once again that the just concluded recess was a working recess despite the demanding festivities of the month of December. You were able to find time from your busy schedules to undertake a number of activities in the spirit of carrying out our oversight, legislative and representative mandates. Honorable members were able to among other things hold a workshop from the 2nd to 8th of January, 2017 at Nairobi. This workshop enabled report writing by all County Assembly committees on bi-annual progress and facilitated discussions on pertinent issues facing our Assembly. Honorable members, these acts of outstanding commitment to our work are a mark of true and selfless leadership.

Honorable Members,

You are well aware that we are fast approaching the end of our five year term as members of the First Kitui County Assembly. I feel confident to say that we have greatly contributed in the history of our Country Kenya as a pioneer legislative house in Kitui County making significant strides. You will agree with me that it has been a productive 4 years which has seen this Assembly grow to become a

model Assembly to be emulated by other Assemblies. Indeed our legislative journey has not been without its fair share of challenges. It has been a learning journey with of course some mistakes, nevertheless I am able to state without fear or favor, that we have overcome every set back faced. It is on this foundation, that we create great respect from our electorate as we exit to seek fresh mandate.

Honorable Members,

Aware of the impending elections, the Kitui County citizenry will continue to hold us accountable for the duties they bestowed on us and the legacy we shall leave behind as legislators, As we proceed to the Fifth and final Session of the First County Assembly of Kitui, I urge you members to embark on work with the vigor and enthusiasm that our duty demands. I encourage you to continue with the same devotion of serving our people well by aggressively initiating more business in the House through request of statements, tabling of motions and formulating relevant policies and Bills that will continue to promote the social and economic well-being of the Kitui County citizenry.

Thank you!

God bless you all.

THE HON GEORGE M. NDOTTO

SPEAKER OF KITUI COUNTY ASSEMBLY
