THE HANSARD

First County Assembly –First Session

Thursday, 27th June 2013

The County Assembly met at 2:45pm

[The Deputy Speaker (Hon.Titus Mbiti) in the Chair]

PRAYERS

The Deputy Speaker: Honourable Members.

Due to unavoidable circumstances, we will adjourn this house up to tomorrow morning at 9am, because we understand that we were coming to have our budget at this time, but we understand that the chairman for the Budget and Appropriation Committee has informed the Chair that they received the budget of the various departments at the executive when it was a bit late; 5pm yesterday.

They are trying very hard, and he (Chairman, Budget and Appropriation Committee) has promised the Chair that tomorrow, latest 9am, at all costs, even if it means that they will not sleep today, they will make sure tomorrow morning...

And the Chair directs! That there will be no further delays! Because we are running out of time.

The patience of the Chair is running out, and we will not; the Chair will not give more time for any delays.

So the chairman and the members of that committee, you make sure that is done tomorrow at 9am.

This house stands adjourned until tomorrow at 9am.

The County Assembly rose at 2:50pm.
