(Hon. Kiruru stood on a point of order)

Hon. Kiruru (MCA Nguni Ward): Mr. Speaker Sir, thank you very much for this opportunity. When we came into this House, it was all about taking our debates to the next level. More often Mr. Speaker we have been treated to some instances which do not look very normal. At home I am connected to an electricity line but I have still installed solar so that in case of blackout I can still have light. Sometimes, we have been forced to debate in darkness which affects our performance just because of some simple systems. It is our submission and plea that some of these mistakes can be sorted out once and for all. Mr. Speaker I am talking about what is happening now. Our systems are not working and it is because of some small issues which can be addressed. Thank you.

The Speaker: I hear you Hon. Kiruru and the same will be addressed. Let us adjourn the House

ADJOURNMENT

Hon. Members, the House now stands adjourned until this afternoon at 2:30 p.m.
