Mr Speaker sir, I beg to give notice.

The Speaker (Hon. G. Ndotto): Very well, for the benefit of the new Members, the procedure is that after giving notices, authors of the Motions will this afternoon move the Motions and have them seconded paving way for debate. The debate will culminate in approval or rejection of the Motions. That is how you will dispense with the matter. Remember, you will miss something

important if you fail to attend the afternoon sitting. The Motions will be moved and discussed resulting in approval or not being approved. Am I clear on that one?

(The Members spoke-off record. They answered in the affirmative)

Secondly, Hon. Members, I noticed movers of the Motions coming to the Chamber late. It is unfair. If you have a Motion, be here on time, so that you don't keep the rest of the House waiting for you. We cannot move if you are not there. It's rather you wait for the Members to assemble than the entire House waiting for you.

You saw the proceedings starting abit late, being the first day we had few things we were trying to sort out with the Assembly leadership hence the delay. We will start at exactly 2:30 PM this afternoon and will adjourn the House if there will be no quorum.

That brings us to the end of the Order Paper. I am sure there are some issues the political parties represented here are trying to sort out. I will make another communication this afternoon regarding membership of the various committees. I will give further direction this afternoon. Take advantage of the free time now to tighten the loose ends.

Please, Hon. Kilonzo and Hon. Musili I want the name of WIPER'S nominee to CASB by 11 AM tomorrow.

ADJOURNMENT

Hon. Members, the House now stands adjourned until this afternoon at 2.30 PM.

The County Assembly rose at 10:02 a.m.
